This just in from our team in Frankfurt - on the red carpet!? Another successful meeting #medcomms pic.twitter.com/8oXEGKKZVO
And my #medcomms day is over. Finished a slide deck for the Oz office- in their inboxes when they start tomorrow morning. Time to go home.

I'm running out of energy! #MedComms Praise from @Fishawack added to MedCommsDay.com and I'm wondering if I'll get anything else now

Glad to say that coming to the end of Gareth Tucker soon, so they're starting to pack ...

Crate and crates - the FW Comms team in North Wales PA are moving offices

Pubs planned, abstracts abstracted and Teleconferences conferenced, well, until Kieran Davey sets of comments to sort through. Oh well off to My

Kiran Kaur Nandra

Yay boarding... Time to go home. Bye Dublin!

It's gone a bit quiet out in medcomms land - anything happening out in the US? More postings going up on MedCommsDay.com now

Back at my desk to work on a SIHD project #medcomms

Another busy day surrounded by dummy runs, publication databases, financial trackers & production timelines. Happy #medcomms day everyone!

A Day in the Life of #MedComms is still ongoing, proving we really are a 24-hr business "fires up computer" "grabs a coffee" [And repeat...]

The less glamorous side of med comms, still at airport still waiting for flight (not fight - its not reached that stage yet!)

It's not reached that stage yet!

Thanks to all who persevered with today’s ismnp u despite the tech issues. The GPS manuscript-published in BMJ open in April. #medcomms

In a few weeks’ time, we could have said that our new San Francisco office was just starting work ... but it’s not there yet! #medcomms

They are almost fixed for Tom Grant on. Filmed in Spain, edited in Macc. Looks fantastic

Fun afternoon project: team viewing of an educational video we’ve been working paper writing, slidekit editing, KOL mapping #medcomms

Inspired Science:(( Boo! Something you get used to in #medcomms - flight delays!!!

Busy #medcomms Wednesday for storyboard drafting, resource planning, white paper writing, slidekit editing, KOL mapping #medcomms

Fun afternoon project: team viewing of an educational video we’ve been working on. Filmed in Spain, edited in Macc. Looks fantastic #medcomms

They are almost fixed for #ismnp u hang in there! #medcomms

Ah Jackie! You always know how to make me smile!

Might just have time to nip out for a quick... #medcomms
I love calls like that! Exciting collaborations on the way!

Stephanie Tortell

---

Just finishing a multi-site video brainstorm exploring ideas to encourage physicians to apply for an annual award programme #medcomms

---

Steve J Cook

---

From COPD to asthma to CF to severe skin disease, #medcomms is never dull. And heart failure brainstorm tomorrow thrown in for good measure!

---

Eve MacDonald

---

An afternoon of newsletter writing, sponsored by choccy biccies and Pepsi

---

Tom Grant

---

And heart failure brainstorm tomorrow thrown in for good measure! From COPD to asthma to CF to severe skin disease, #medcomms is never dull. And heart failure brainstorm tomorrow thrown in for good measure!

---

Sebastian Stewarts

---

Ready for the #ISMPP U program on @THEGPS1! A great way to enjoy #medcomms day with fellow medcommers

---

Deborah Briggs

---

Really enjoying #MedComms day @networkpharma. Very useful for the aspiring medical writer.

---

SEC Recruitment Ltd

---

Experience a fun and different type of recruitment with SEC #medcomms. lnkd.in/dmgBEcQ lnkd.in/dxXEEn4 pic.twitter.com/e7XZBiIb

---

Ana Martins-Kaczor

---

And now a break from my #Medcomms day to look for new career opportunities. Anyone looking for an experienced Pub Planner? #Medcomms

---

Karen Middleton

---

Photo time. Me & fellow #medcomms tweeter @evelmacd outside our Maidenhead offices. Hello! pic.twitter.com/N46Bna9X6v

---

Lizzy McAdam

---

Happy #MedComms day! Just finished another freelance project for @AspireSci

---

Peter Ivelwyn

---

Please, if you visit MedCommsDay.com and spot an error, do tell me! It is just a tad bonkers at this end trying to keep up #MedComms

---

Fishawack

@danthusmed 'Trust' through its maintaining identifiable, visible, consistent, responsive presences, that is :) @networkpharma #medcomms

Expand

Andrew Spong @andrewspong - 22h

@danthusmed True, but #medcomms has the potential to create more than great content for clients: it can create trust, too. @networkpharma

Expand

pharmagossip @pharmagossip - 22h

Happy #medcomms day pic.twitter.com/sQrdsNTHeZ

Expand

Andrew Spong @andrewspong - 22h

@networkpharma if 'sunlight (no pun intended ;) is the best disinfectant,' let's hope the industry takes a long walk in it on #medcomms day

Expand

Andrew Spong @andrewspong - 22h

@networkpharma my concern: #medcomms is happy to dwell in the shadows if it gets paid. That’s trust-corrosive for the industry & its clients

Expand

Andrew Spong @andrewspong - 22h

@networkpharma My Qs: is the #medcomms convo now mature, & are these the only participants we shd expect to take part? And: does it matter?

Expand

Dianthus Medical @danthusmed - 22h

@andrewspong @networkpharma Fair point. Though probably true of many other industries, no? Some make lots of noise, others don’t #medcomms

Expand

Andrew Spong @andrewspong - 22h

@networkpharma @danthusmed IMO, the strong, confident prof profiles you maintain are still not the norm in #medcomms. It remains in shadow.

Expand

Andrew Spong @andrewspong - 22h

@networkpharma If I didn’t know you better, Andrew, I’d think you were being cynical there :) #medcomms

Expand

Dianthus Medical @danthusmed - 22h

@andrewspong #MedComms is no longer the 'invisible industry' it once was...
